EC DECLARATION OF CONFORMITY

Product description: Three-phase low-voltage asynchronous motors and generators with squirrel-cage rotor.
types: 1L, 2L, 3L, 4L - frame size 80 to 355
types 1A, 2A, 3A, 4A - frame size 56 to 160

Product intended for: Installation in other machines and devices for the purpose to drive them.

Product manufacturer: **Pavel Kusý - KEM**, Lichnov 481, 742 75, The Czech Republic

We declare under our responsibility that the above mentioned products are safe under the conditions of normal use and as specified in the instructions for use and that measures have been taken to ensure compliance of the listed products placed on the market with technical documentation and with the basic requirements of the related directives, regulations and laws that apply to them and with the requirements of the related technical standards.

Related Directives, Regulations and Laws:

2011/65/EU	Directive of the European Parliament and the Council of 8/6/2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment - RoHS 2 (Law 481/2012 Coll.).
640/2009/EC	Commission regulation of 22/7/2009 implementing the European of the Parliament and of the Council 2005/32/EC (2009/125/EC) with regard to the requirements for ecodesign of electric motors (as amended by Regulation 4/2014/EU of 6/1/2014).
117/2016 Coll.	Regulation of Czech government valid from 19/4/2016 on the assessment of conformity of products from the point of view of . electromagnetic compatibility when they are supplied to the market. This government regulation replaces the government regulation 616/2006 Coll., which had been cancelled since 20/4/2016.
118/2016 Coll.	Regulation of the Czech government valid from 19/4/2016 on the assessment of electrical conformity devices intended for use within certain voltage limits at their delivery to the market. This government regulation replaces the government regulation. 17/2003 Coll., which had been cancelled since 20/4/2016.

Related harmonized Czech and EN standards:
ČSN EN 60034-1 ed.2: 2011 **EN 60034-30-1: 2015** **ČSN EN 60204-1 ed.3: 2022**

The mentioned product has been CE marked since 2001.
The operation of the mentioned products is permissible only after ensuring that the machines on which they are installed as a part of them comply with the relevant standards, regulations and directives (Directive 2006/42/EC, regulation of the Czech government 176/2008 Coll.).

In Lichnov on 1/2/2023
